THE LEGACY

The Grand Depart will put Yorkshire on the map and it will be a spectacular weekend, but it is only 'a weekend' so what can it do for us as a community and our Village Hall after the event is over? We have bought Bike Racks which after the event will be donated to the Village school. The money raised will pay for the Secure Area being created under the Club Room balcony, The Changing Rooms are being renewed. A new Cycling Club to be formed. Bicycles being given to disabled Children abroad and more than anything the weekend will bring the Community Together new and old friends together.

A HUGE THANK YOU!

To everyone who has helped us with their time, ideas, promise of equipment, donations, sponsorships
 But we could still do with more! If you can help in anyway, would like to be involved get in touch we would love to hear from you please

Bunting & Bikes

The original response to our request for bikes was amazing and since we put them around the village they have multiplied! The amount of people who have added their own to the village display is superb & the genius of those who have hung them in trees, illuminated them and even had them 'walking on water' is fantastic, Thank you.

KEEP AN EYE ON THE BIKE BOARDS TO UP KEEP UP TO DATE WITH NEWS AND EVENTS

What can we say about the bunting? The display over the Spring Festival weekend was incredible! Bunting made from all types of materials including surgical waste bags and in all shape & sizes from pennants, jumpers to rosettes.

There was even a bunting making party in the village!

Just don't forget to put your bunting back out for the Le Tour weekend! There is still some tape left if you haven't made yours yet – join in & let's make the village yellow

Thank you to Moor lane Autos and to Clarity Arts for spraying the bikes yellow. To the bike Sponsors: Richard Grant, David & Jen Flintoff, Bernard & Lynne Jacklin, Wendy & Duncan Biggin, Jane Turner, Trish & Dave Meakin, Nan & Margaret, Ian & Marcella O'Hara, Wendy & Tim Gifford, Mark & Anne Tankard, John Siddall, Andrew & Allison Wells. LEGACY: After the tour the bikes that still work are being donated to the Charity PhysioNet for disabled children abroad, those that don't will be donated to Oxfam for their scrap value
